

Ballyfin Costume Department

Have you dreamed of starring in your own period drama? With the backdrop of Ballyfin (long admired as one of the most lavish regency mansions in Ireland) and a stunning collection of period costumes (from the Lyric Opera company in Chicago – one of the best opera companies in the world) – you now have the opportunity. This is especially suitable for groups where guests can visit the specially designed costume room to try on and choose their costumes. With all guests dressed up, the group is now ready to enjoy a splendid evening with a fine banquet and entertainment to make the most of the occasion.

The experience:

- It is frockage heaven – where you will find a wonderful selection of 40 costumes along with a great selection of matching accessories.
- Your group will have great fun exploring the rails of beautiful costumes and selecting one.
- Our trained dressers will ensure you look the part for the evening and your selected costume will be delivered to your room.
- During pre-dinner drinks, Ballyfin's photographer will be on-hand to photograph all participants individually and in group shots using the spectacular settings of Ballyfin as a backdrop. (pre-booking in advance required and extra cost applies)
- For groups dressing in costume guests will dine together with a lavish banquet appropriate to the evening.
