

In celebration of the 40<sup>th</sup> Anniversary  
of

## The Inn at Little Washington

we are delighted to invite two Michelin star Chef Patron,

**Patrick O'Connell**

to join our resident

**Chef Sam Moody**

and his team to offer two wonderful gastronomic  
experiences on April 6<sup>th</sup> and 7<sup>th</sup>.

"Everyone has their own fantasy of the perfect country house hotel. Mine is Ballyfin—and not just because I'm Irish. The place casts a spell and transports you to another world. No detail is overlooked. Everywhere you gaze, you're surprised, calmed and delighted. Rarely does a stately home manage to be both grand and cozy at the same time. General Manager, Damien Bastiat and his team are wonderfully talented in making every guest feel as if they have arrived home—at last.

Sitting in front of the fire in one of the magnificent salons reading a good book makes one feel that all is right with the world. The seamless, harmonious blending of the interior and exterior make it all feel like an endless, magical stage set. Rarely has any hotel touched a nerve or struck a chord with me the way Ballyfin did on my first visit there last year. I didn't want to leave. So I'm thrilled to be invited back on the occasion of The Inn at Little Washington's 40<sup>th</sup> Anniversary to create a collaborative menu for a magical Relais & Chateaux weekend house party with Ballyfin's chef and brigade."
